The Payment for Image

You don't really pay the full price for your cosmetics. Countless animals do. And the currency is measured not in dollars and cents, but in blood. Animal testing is sadistic and barbaric, causing the most unimaginable pain that ends most of the time, in death.

Please. Don't use products that support this brutality.

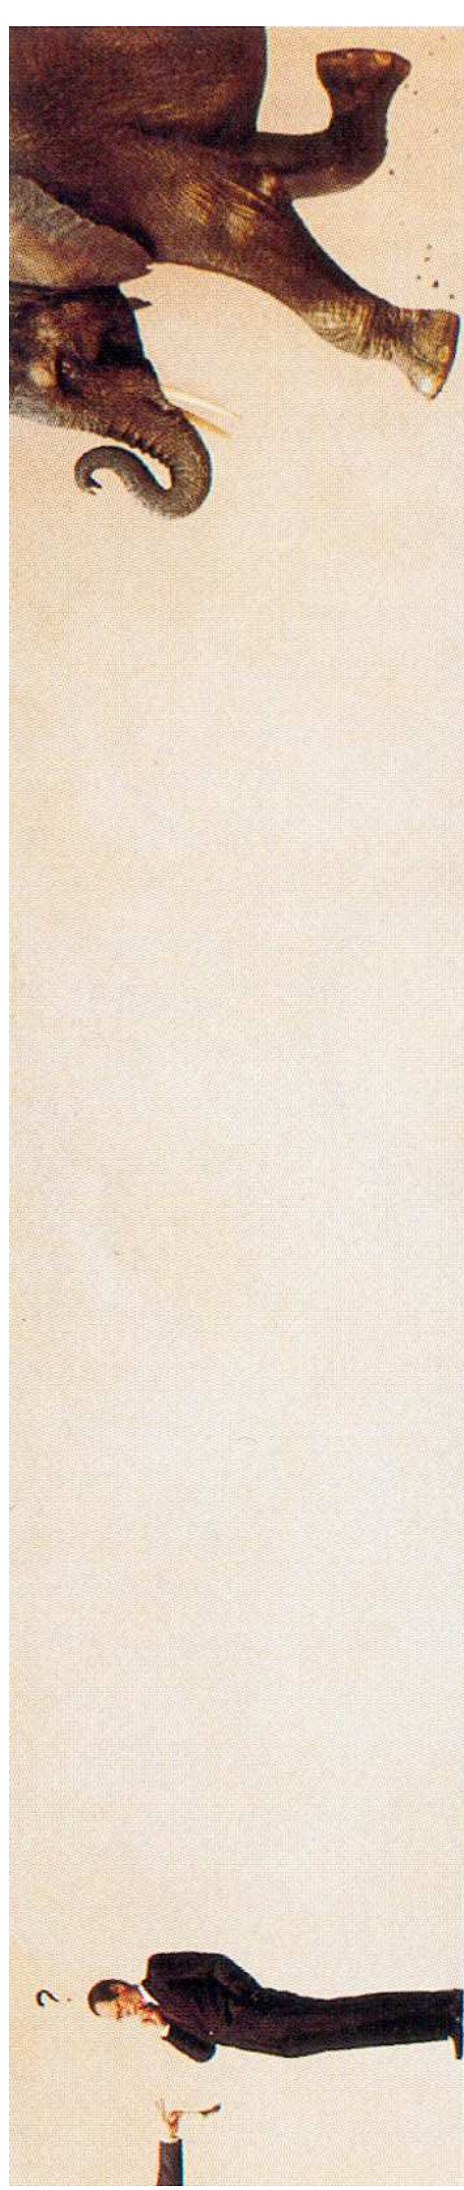

Harry's Bread. Nice and soft.

Continental Bank
Anticipating the needs of business.

We try to get to you with solutions before you realize you need them. By being prepared and informed, we've got you covered no matter what's on the horizon.

Continental Bank
Anticipating the needs of business.

We try to get to you with solutions before you realize you need them. Which is why we're rewarded with relationships lasting longer than an elephant's memory.
